Sweats for Vets 2021 VFW Post 1177

An amazing 1110 donated sets of sweats were ribbon-wrapped and boxed 12/26/2021 at the Loudoun County VFW Post 1177 in Leesburg.

Fifty plus volunteers from local northern VA organizations spent the morning "wrapping with care" the new sets of sweats along with 800+ pairs of socks for delivery to our veterans at later dates.

Hand-crafted "Thank you for your Service" cards made by children at local schools also adorned many of the sets.

In the coming days donations of sweats will be made to the Veteran Administration Medical Centers in Washington, DC. During the month of January, members of the Loudoun County VFW Post 1177 in Leesburg with the Northern Virginia Knights of Columbus Councils, and along with the Loudoun County Division of Ancient Order of Hibernians will deliver these gifts to the VAMC in Martinsburg, WV. These sets of sweats "uniforms" will be given to our hospitalized veterans during their hospital stay as they receive care at the VAMCs and veterans who visit the VAMCs for out-patient care.

Along with these sweats, supporters also provided over \$3,500.00 in donations to supplement the VAMCs' patient services fund. Please know your generosity and involvement with this program is a true act of kindness that contributes tremendously to the welfare of our veterans.

Be very proud of your support of our veterans.

Thank you so much,

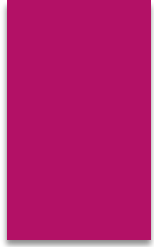

Coordinators

Sweats for Vets of Northern VA

Thanks to all
